#### STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. KENNEDY (for himself, Mr. BROWNBACK, Mrs. FEINSTEIN, Mr. KYL, Mr. LEAHY, Mr. HATCH, Mr. EDWARDS, Mr. HELMS, Mr. DURBIN, Mr. THURMOND, Mr. CONRAD, Mr. BOND, Mrs. CLINTON, Mr. SESSIONS,

Mr. DEWINE, and Mrs. HUTCHISON):

S. 1749. A bill to enhance the border security of the United States, and for other purposes; to the Committee on the Judiciary.

Mr. KENNEDY. Mr. President, I am honored to join Senators BROWNBACK, FEINSTEIN, KYL, LEAHY, HATCH, and other colleagues in introducing legislation to strengthen the security of our borders, improve our ability to screen foreign nationals, and enhance our ability to deter potential terrorists. Senator BROWNBACK and I have worked closely with Senator FEINSTEIN and Senator KYL over the last month to develop a broad and effective response to the national security challenges we face. The need is urgent to improve our intelligence and technology capabilities, strengthen training programs for border officials and foreign service officers, and improve the monitoring of foreign nationals already in the United States.

In strengthening security at our borders, we must also safeguard the unobstructed entry of the more than 31 million persons who enter the U.S. legally each year as visitors, students, and temporary workers. Many others cross our borders from Canada and Mexico to conduct daily business or visit close family members.

We also must live up to our history and heritage as a nation of immigrants. Continued immigration is part of our national well-being, our identity as a Nation, and our strength in today's world. In defending America, we are also defending the fundamental constitutional principles that have made America strong in the past and will make us even stronger in the future.

Our action must strike a careful balance between protecting civil liberties and providing the means for law enforcement to identify, apprehend and detain potential terrorists. It makes no sense to enact reforms that severely limit immigration into the United States. "Fortress America," even if it could be achieved, is an inadequate and ineffective response to the terrorist threat.

Enforcement personnel at our ports of entry are a key part of the battle against terrorism, and we must provide them with greater resources, training, and technology. These men and women have a significant role in the battle against terrorism. This legislation will ensure that they receive adequate pay, can hire necessary personnel, are well-trained to identify individuals who pose a security threat, have access to important intelligence information, and have the technologies they need to enhance border security and facilitate cross-border commerce.

The Immigration and Naturalization Service must be able to retain highly skilled immigration inspectors. Our
